A N N O U N C E M E N T

2nd Annual SDSU Geology Department Alumni Association Field Trip

This year we have planned our family weekend outing for February 19, 20, and 21 (1988), at the CALICO GHOST TOWN, Regional County Park and Campground. It is located just north of I-15, about 10 miles north of Barstow, CA. It'll cost \$9.00/car/night, so the more people you can get into the car, the less it will cost per person.

Bring all of your own food, drink, camping gear, trailers, etc. - bring the kids too! If we run out of Mojave Desert stories - such as "it never rains in the Mojave," there is always the nearby Ghost Town for fun and entertainment. The activity scene is loose - but will likely include some 4-wheel'n up those old canyons and a peek into some of the abandoned mines. Give Bill Elliott a call if you need details (619) 586-0870. See y'all there!
